Study Guide for Fundamentals of Nursing Care

2022-09-26

Here's the perfect companion to Davis Advantage for Fundamentals of Nursing Care 4th edition. It offers the practice nursing students need to hone their critical thinking and problem solving skills while mastering the principles concepts and procedures essential to success in the classroom and in practice. The study guide corresponds to the text chapter by chapter while reinforcing the text's emphasis on connections each step of the way. Perforated pages make it easy for students to submit their assignments to their instructors for evaluation. Highly recommend a good way to come prepared for class to any prospective nursing students out there thinking about purchasing this workbook. Please do it has sections that directly correlate with each chapter of the textbook. I have found it to be an excellent way to focus on the important parts of each chapter.
