Who Was Dr. Seuss? 2011-07-07 Ted Geisel loved to doodle from the time he was a kid. He had an offbeat fun-loving personality; he often threw dinner parties where guests wore outrageous hats and he donned quirky hats when thinking up ideas for books like his classic The Cat in the Hat. This biography, with black and white illustrations throughout, brings an amazingly gifted author-illustrator to life.

The Great Big Dummy 1979 When Anna’s friends can’t play with her, she creates a playmate of her own.

The Random House Book of Easy-to-Read Stories 1993 A collection of fifteen stories in easy-to-read format by such authors as Dr. Seuss, Stan and Jan Berenstain, P.D. Eastman, and Richard Scarry.

Becoming Dr. Seuss 2019-05-07 The definitive, fascinating, all-reaching biography of Dr. Seuss. Dr. Seuss is a classic American icon. Whimsical and wonderful, his work has defined our childhoods and the childhoods of our own children. The silly simple rhymes are a bottomless well of magic; his illustrations timeless favorites because quite simply he makes us laugh. The Grinch, the Cat in the Hat, and Horton are among many more of his beloved and uniquely Seussian creations. Theodore Geisel, however, had a second, more radical side. It is there that the allure and fascination of his Dr. Seuss alter ego begins. He had a successful career as an advertising man and then as a political cartoonist; his personal convictions appearing not always subtly throughout his books. Remember the environmentalist of The Lorax? Geisel was a complicated man on an important mission. He introduced generations to the wonders of reading while teaching young people about empathy and how to treat others well. Agonizing over word choices and rhymes, touching up drawings sometimes for years he upheld a rigorous standard of perfection for his work. Geisel took his responsibility as a writer for children seriously, talking down to no reader, no matter how small and with classics like Green Eggs and Ham and One Fish Two Fish Red Fish Blue Fish, Geisel delighted them while they learned. Suddenly, reading became fun. Coming right off the heels of George Lucas and bestselling Jim Henson, Brian Jay Jones is quickly developing a reputation as a master biographer of the creative geniuses of our time.

Dr. Seuss and Philosophy 2011-07-16 Since Theodore Geisel published his first children’s book in 1937 under the pseudonym Dr. Seuss, children and adults alike have been captivated by the charming and laconic tales of whimsical characters and imaginative worlds. But Dr. Seuss stories are more than just catchy poems; they often wrestle with serious philosophical and moral dilemmas. Whether it is Horton discovering the very essence of life or the Lorax teaching us about morality, Dr. Seuss and Philosophy explores philosophical concepts such as the nature of the good life in Oh, the Places You’ll Go! The nature of knowledge in M慈悲igot’s Pool! Postmodernity in On Beyond Zebra! Business and the Environment in The Lorax! And moral character in How the Grinch Stole Christmas! Among many others. Anyone who loves Dr. Seuss or is interested in philosophy will find this book to be intriguing and enlightening.

The Dr. Seuss Catalog 2015-02-16 Theodor Geisel was known worldwide as the beloved children’s author. Dr. Seuss produced a body of work that spans more than 70 years. Though most often associated with children’s books, he frequently contributed cartoons and humorous essays to popular magazines, produced effective and memorable advertising campaigns, quick, the Flip, and won oscars and emmys for motion picture productions, animated shorts, and features as founder and president of Beginner Books, his influence on children’s book publishing was revolutionary. Especially in the field of elementary readers, Geisel’s prolific career he wrote or contributed illustrations to more than 75 books. Most of which have been reprinted repeatedly and translated worldwide. His predilection for made-up creatures make this joint bibliography and iconography especially useful to readers and researchers. The exhaustive bibliography is arranged chronologically, providing full bibliographic information including translations as they appear, reissue information, and descriptions of the binding. The iconography links more than 900 fictional names, places, and terms to the works in which they appear. For the reader seeking a first edition of Quomodo Invidiosulus Nomine Grinchus Christi Natalem Abrogaverit! How the Grinch Stole Christmas translated into Latin or hoping to identify abrasion contusions race cars in if...
I ran the circus this work promises as much discovery as a walk down Mulberry street.

10 Trim-the-Tree’ers 2012-10-23 Ten young neighbors wear costumes as they decorate a Christmas tree with different items from one shiny star on top to ten wrapped gifts below.

Dr. Seuss 2005-01-01 Philip Nel takes a fascinating look into the key aspects of Seuss’s career: his poetry, politics, art, marketing, and place in the popular imagination. Nel argues convincingly that Dr. Seuss is one of the most influential poets in America. His nonsense verse like that of Lewis Carroll and Edward Lear has changed language itself, giving us new words like nerd and Seuss’s famously loopy artistic style.

What nel terms an energetic cartoon surrealism has been equally important inspiring artists like filmmaker Tim Burton and illustrator Lane Smith from back cover.

The Big Hello 1990-05 A little girl adjusts to her new life in California with the help of her doll.

Dr. Seuss (Theodor Geisel) 2013-11 The bad babies at a birthday party introduce the colors.

The Bad Babies’ Book of Colors 1987-02-12 Jenny has to convince her tennis fanatic father that although his sport is tennis hers is acrobatics.

Jenny and the Tennis Nut 1981 It’s Valentine’s Day and the 10 little neighbors in this book are busy making valentines for their closest friends. A dinosaur card thinks little Pete my pal Max would find really neat will everyone get a Valentine at the big Valentine’s Day party you can count on it with its fun counting element bouncy text and adorable illustrations this book is the perfect gift for young lovebugs.

10 Valentine Friends 2012-12-26 Children search for ten eggs hidden by a bunny.

10 Easter Egg Hunters 2015 Classic Disney illustrations from the 1940s make this little golden book retelling of an all-time favorite a keeper for Disney and little golden book collectors alike.

Felix Salten’s Bambi 2005-03 In the late 1950s Ted Geisel took on the challenge of creating a book using only 250 unique first grade words something that aspiring readers would have both the ability and the desire to read the result was an unlikely children’s classic the cat in the hat but Geisel didn’t stop there using the cat in the hat as a template he teamed with Helen Geisel and Phyllis Cerf to create beginner books a whole new category of readers that combined research-based literacy practices with the logical insanity of Dr. Seuss the books were an enormous success giving the world such authors and illustrators as P.D. Eastman, Roy McKie, and Stan and Jan Berenstain and beloved bestsellers such as Are You My Mother, Go Dog Go, Go Put Me in the Zoo, and Green Eggs and Ham.

The story of Beginner Books and Ted Geisel’s role as president, policymaker, and editor of the line for thirty years has been told briefly in various biographies of Dr. Seuss but I can read it all by myself. The Beginner Books Story presents it in full detail for the first time drawn from archival research and dozens of brand new interviews I can read it all by myself explores the origins, philosophies, and operations of Beginner Books from the cat in the hat in 1957 to 2019’s A Skunk in My Bunk and reveals the often fascinating lives of the writers and illustrators who created them.

I Can Read It All by Myself 2021-05-28 presents the history of the wild west covering pioneers, business people, scouts, lawmen, outlaws, gangs, gunslingers, and cowboys.

What was the Wild West? 2017 A collection of fifteen stories in easy to read format by such authors as Dr. Seuss, Stan and Jan Berenstain, P.D. Eastman, and Richard Scarry.
