Heartbreak & Triumph

2010-05-11

World Wrestling Entertainment fans think they know the Heartbreak Kid he's the showstopper who pushes his high flying abilities to the limit in the squared circle on ladders and in steel cages he's the company's first grand slam champion and of course he's forever the guy who conspired with WWE Chairman Vince McMahon to screw Bret Hitman Hart out of the WWE Championship in Montreal at Survivor Series on November 9 1997 but that's the side HBK has allowed you to see until now Heartbreak Triumph the Shawn Michaels story introduces us to Michael Shawn Hickenbottom the youngest of four children whose really conservative upbringing made him shy and afraid that people wouldn't like me if I showed who I really was but upon discovering Southwest Championship Wrestling SWCW on TV one Saturday night the preteen Hickenbottom realized instantly what he wanted to become and later would convince his father a colonel in the U S Air Force to let him pursue his dream from there Hickenbottom fully recounts the events that led to Shawn Michaels's tutelage under Mexican wrestler Jose Lothario working matches at Mid South Wrestling under the guidance of Terry Taylor and the Rock N Roll Express's Robert Gibson Ricky Morton flying high with Marty Jannetty as the Midnight Rockers in the American Wrestling Association AWA and how a barroom confrontation in Buffalo almost prevented the tandem from ever joining the World Wrestling Federation while reliving the crippling back injury that forced him to retire in his prime Michaels credits the new loves in his life his second wife Rebecca his children and his newfound faith with giving him the strength to kick his habit recover physically and make a jubilant return to the ring at SummerSlam 2002 now back on top and doing what he enjoys most the WWE Superstar regards Heartbreak Triumph as the perfect means to review my life and attempt to figure out how I became the person I am Wrestling for My Life

Shawn Michaels 2014-02 The WWE's Shawn Michaels story began his career in Texas trained by the legendary Jose Lothario Shawn Michaels wrestled in Kansas where he met fellow wrestler Marty Jannetty a year later after sending tapes of his matches to the major wrestling companies at the time he was contacted by the AWA who proposed that he team up with Marty Jannetty again together Michaels and Jannetty became known as the Midnight Rockers the AWA had just received a TV deal with ESPN which did wonders for his career the Midnight Rockers had a major feud with Playboy Buddy Rose and Pretty Boy Doug Somers their matches were considered bloodbaths at the time eventually the Midnight Rockers came out the victors and were the AWA world tag team champions the WWF now WWE noticed their efforts and signed them to a deal both Michaels and Jannetty were soon fired for an incident in a bar which Michaels claims was a misunderstanding the duo went back to the AWA for a brief time after a while they contacted the WWF who gave them a second chance and they returned in late 1988 they were known simply as the Rockers the duo had a great influence on many of the present teams in wrestling their trademark was being tag team specialists and using great double team moves on their opponents

GIANT AND THE IRON SHEIK

_Bashed in the USA_ 1993 re live the most breathtaking unbelievable wrestling action ever as WWE’s superstars and divas recount their greatest matches of all time featuring eight pages of full color photographs. Remember the time Goldust ran over Rowdy Roddy Piper in his gold Cadillac. How about when Randy Orton battled Mick Foley with a barbed wire bat named Barbie? When you ask a WWE superstar what his favorite match is you might be surprised by his answer but that’s the thing about a phrase like favorite match; it’s not about the greatest match in their careers or the time they won their first title. It’s about the moments that stand out and make them smile. Sometimes it’s the same smile they had when they left the ring face full of blood and sweat to the roars of thousands. Sometimes it’s the smile they tried so hard to hide when anything and everything seemed to go so wrong that even the ring announcer was accidentally injured in their struggle. And sometimes it’s the smile only the showmen themselves share with each other as brothers in battle with one goal in mind: doing whatever it takes to put on the best show possible even if it means landing on a few thousand thumbtacks along the way.

These are their stories straight from the superstars who performed some of the most memorable matches in WWE history. These are the most unexpected, the most brutal, the most hilarious, and the most unforgettable moments of their careers captured in their own words.

After some remarks about Smackdown Batista is his own harshest critic. He explains his early limitations as a wrestler and the work he has done to overcome them. Interspersing his memoir with accounts from life on the road, Batista lightens the narrative with a surprising sense of humor. An animal in the ring, he reveals himself as an honest and even humble man in everyday life.
