A Spring Society 1893

Elizabeth and the time travel car part 1 is a story about second chances, time travel, romance, and faith. Elizabeth made bad choices in her life that she regretted. She said things she wished she could take back. She ran into bad people who cared little about anyone they tried to make sure she and other people would not exist in the future. They sent people to a dystopian world that was upside down where there was silence everywhere and people had blank expressions and were empty inside. Elizabeth wanted her life back and began to fight back. While in this hopeless time in her life, she met some wonderful people who shared the gospel of Christ with her and reminded her that love, the grace of Christ, and forgiveness are powerful. Most importantly, we should never be too hard on ourselves. What people intend for evil, our heavenly Father will turn it around for good. For those who love and obey Him throughout this journey, Elizabeth learned to hope and smile again while meeting her future husband who was clearly Godsent.
