**The Story of the Bible 2013-04**

this is the story of that book it is almost as fascinating as the story it contains and if you have read the bible you know how amazingly high that hurdle is here we are just readers and as readers we are going to look first and foremost at what the bible says about itself then we will mix in a sampling of perspectives from other sources to try to answer in our own minds exactly how god came to reveal himself to us what exactly is from him and what is not how valuable what is not is in our bible study and how we can set ourselves up for success as we try to use the book to guide us toward the life god intends for us both here and in eternity but we are active readers this class is designed for bible students who are willing and eager to dig deep to work hard to determine how to maximize their efforts to understand the bible and then to do so we realize not every student will be able to answer every question from every lesson with absolute confidence do the best you can and be content with that but please do your best do not be afraid of the extra effort do not be afraid to challenge your current mode of thinking reading this material will be much like reading the bible at least in this way that you will reap what you sow you will get out of it what you put into it read well
