This workbook is specifically designed to help students practice and master critical ELA skills and concepts. It is completely standards aligned and is an ideal resource for test prep as well as daily practice. These worksheets are not designed to be grade specific for students, rather they depend on how much practice they’ve had at the skill in the past and how the curriculum in your school is organized. Kids work at their own level and their own pace through these exercises. Kids can practice these worksheets during the summer to get ready for the upcoming school term. Designed for after school study and self-study, it is also used by homeschoolers, special needs, and gifted kids to add to the learning experience in positive ways. It helps them excel in school as well as in building good study habits. This book makes summer learning fun by incorporating everyday family activities that are easy for parents to implement. This book is the perfect resource for every kid who wants to produce clear, concise, and grammatically excellent writing and reading skill. It will help kids to understand and develop interest for advance learning. They can become more effective writers and good communicators in their school. This book covers practice questions about the below topics. Answers are given at the end of the book.
