Monday August 18 2014 5th edition guide to the guides looking for a fun module check out we be dragons play as dragons in this wild on shot bookmark this page and send it to your players and co adventurers artificer for science a guide to the artificer by languid duck UA version for science a guide to the artificer by languid duck
this guide lists any changes to each class the classes of athas are barbarian bard cleric druid empath new fighter monk psion
new ranger rogue warlock and wizard the paladin and sorcerer do not exist

paladins are also one of the more complex classes to play they have a long list of class features touching on most
of the game s core mechanics while this sometimes makes them challenging for new players this also makes the paladin a great
introductory class because the player needs to learn so much to play it

the warlock is likely the easiest of any spellcaster class to play you get only a handful of spell slots at a time
and never have to juggle multiple spell slot levels warlocks learn spells permanently so you don t need to worry
