Popular Photography - ND 1950-06 this volume contains a collection of papers presented at the 4th international conference on applied economics and social science icaess 2022 which was held on 5th October 2022 in Batam Indonesia online. Batam is the city of Politeknik Negeri Batam which organized icaess. This conference's aim is to showcase research applications conducted by researchers. The research gap between academics and industries had become a significant challenge which is expected to be addressed during the conference. Our theme is responding the era of metaverse for future applied technology. We have keynote speakers that delivering talks for the digital marketplace. Dr. Hj Mohammad Nabil Almunawar metaverse for education. Prof. Yusep Rosmanyah S. T. M. Sc. Ph.D. and Industry 4.0 Ashwani Singh Ph.D. We are indebted to them. We hope their research continues successfully. Icaess has 4 tracks including economics track, accountings track, managements track, and social sciences track. We received 112 papers addressing topics in line from the tracks including economic development, accounting theory, business administration, development studies, and other related fields. We accepted 50 articles with an acceptance rate of 45%. Special thanks to the organizing committee members along with the numerous reviewers for their assistance with the reviews of the submitted manuscripts. Finally, we sincerely express gratitude to all the participants and the authors for all their work. Thus making this conference a success we also want to thank the staff of EAI for their help in making this publication possible.
