Life in Medieval Times 1973-11-20 lgbt musicians have shaped the development of music over the last century with a sexually progressive soundtrack in the background of the gay community s struggle for acceptance with the advent of recording technology lgbt messages were for the first time brought to the forefront of popular music david bowie made me gay is the first book to cover the breadth of history of recorded music by and for the lgbt community and how those records influenced the evolution of the music we listen to today

Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 1979 robert young began his prolific filmmaking career while a student at harvard university where he majored in english literature founded the harvard film society and with the help of several colleagues put together his first film about a boston factory worker his reputation as a documentary filmmaker earned him a prestigious position with nbc and he has since worked within and without the hollywood production system for five decades at age 80 robert m young continues to be actively involved in a variety of projects as a commercially successful filmmaker and an independent artist in this compilation of 15 essays scholars of both english literature and film analyze the aesthetic and thematic elements of young s many works among the films examined are nothing but a man triumph of the spirit cortile cascino alambrista short eyes ballad of gregorio cortez extremities dominick and eugene talent for the game roosters caught and human error the book includes an extensive interview with young that provides a retrospect of young s life as a director cinematographer writer and producer a filmography of young s work and a chronology of his life are also provided

Soul Feast 2014-01-01 a panoramic interdisciplinary survey of russian lives and a must read for any scholar engaging with russian culture the russian review in this
interdisciplinary collection of essays distinguished scholars survey the cultural practices power relations and behaviors that characterized russian daily life from pre
revolutionary times through the post soviet present microanalyses and transnational perspectives shed new light on the formation and elaboration of gender ethnicity
class nationalism and subjectivity changes in consumption and communication patterns the restructuring of familial and social relations systems of cultural meanings
and evolving practices in the home at the workplace and at sites of leisure are among the topics explored offers readers a richly theoretical and empirical consideration
of the state of play of everyday life as it applies to the interdisciplinary study of russia slavic review an engaging look at a vibrant area of research highly recommended
choice volumes of such diversity frequently miss the mark but this one represents a welcomed introduction to and a must read for anyone seriously interested in the
subject cahiers du monde russe

Catalog of the Avery Memorial Architectural Library of Columbia University 1958 a striking portrait of a woman artist s struggle for life arthur miller margarett sargent
was an icon of avant garde art in the 1920s in an evocative weave of biography and memoir her granddaughter unearths for the first time the life of a spirited and gifted
woman committed at all costs to self expression

Women and Desire 2023-02-08 the second edition of the handbook of feminist research theory and praxis presents both a theoretical and practical approach to
conducting social science research on for and about women the handbook enables readers to develop an understanding of feminist research by introducing a range of
feminist epistemologies methodologies and methods that have had a significant impact on feminist research practice and women s studies scholarship the handbook
continues to provide a set of clearly defined research concepts that are devoid of as much technical language as possible it continues to engage readers with cutting
edge debates in the field as well as the practical applications and issues for those whose research affects social policy and social change it also expands on the wealth
of interdisciplinary understanding of feminist research praxis that is grounded in a tight link between epistemology methodology and method the second edition of this
handbook will provide researchers with the tools for excavating subjugated knowledge on women s lives and the lives of other marginalized groups with the goals of
empowerment and social change

TNT: The Power Within You 1974 through the sharing of one man s life and photographs this ethnography of human existence covers religion philosophy literature the
environment visual arts music drama literary criticism sociology and the psychology of self

David Bowie Made Me Gay 2017-11-21 she is a victim of intimate partner violence a woman who has been harmed she is a criminal offender a woman who has harmed
others superficially it seems she is two separate women victim and offender are binary categories used within law social science and public discourse to describe social
experiences with a moral dimension such terms draw upon cultural narratives of good and bad people and have influenced scholarship public policy and activism the
duality of good and bad women separated into mutually exclusive extremes of angels and demons has helped segregate thinking about and responses to each group in this groundbreaking study kathleen j ferraro exposes the limits of such thinking by exploring the link between victimization and offending from the perspective of the women charged with the crimes interviewing forty five women charged with criminal offenses more than half of whom killed their abusers the others participated in a range of violent crimes related to domestic violence ferraro uses their stories to illuminate complex interactions with violent partners their children and the legal system she shows that these women are neither stereotypical angels nor demons but rather human beings whose complicated lives belie the abstract categorizations of researchers legal advocates and the criminal justice system ferraro begins with a general discussion of blurred boundaries and the complexity of experience and moves from there to discuss women s interactions with the criminal processing system in the course of her study she reexamines and finds wanting many standard ways of evaluating women s violent behavior including mutual combat battered woman syndrome and cycle of violence she argues that a more complex nuanced understanding of intimate partner violence and how it contributes to women s offending will contribute to public policy less focused on control and accountability of individuals than on developing social conditions that promote everyone s safety and well being and foster a sense of hope

The Publishers' Trade List Annual 1977 law is a varied powerful and highly rewarding profession studies show however that lawyers have higher rates of alcoholism divorce and even suicide than the general population stress creates these poor outcomes including the stress of dealing with other people s problems all day the stress of spending excessive amounts of time at work and the stress of being disconnected to what is most meaningful in life through mindfulness and emotional intelligence training lawyers can improve focus get more work done in less time improve their interpersonal skills and seek and find work that will make their lives more meaningful this book is designed to help law students and lawyers of all experience levels find a sustainable and meaningful life in the field of law this book includes journaling and other interactive exercises that can help lawyers find peace focus meaning and happiness over a lifetime of practicing law

Robert M. Young 2015-01-09 first published in 1954 this is the second edition of the single volume amalgamation of husband and wife team marjorie and charles quinnells three volume anthology on greek antiquity originally between 1929 1932 everyday things in homeric greece everyday things in archaic greece and everyday things in classical greece part i tells of the trojan war and of the heroes who sustained the greeks in their early struggles with homer cited as the main source part ii deals with the archaic period about 560 to 480 b c ending with the great struggle between greeks and persians which culminated in the victory of the greeks at salamis as related in the history of herodotus part iii begins with the story of how the greeks went to work after salamis and built on the well laid foundations a civilization which ever since has been regarded as classical and closes with the account in the history of thucydides of the struggle between athens and sparta and the failure of the athenian expedition to sicily a comprehensive study of ancient greek history revised in this edition by greek authority kathleen freeman in this book we have attempted
to show some of the beautiful products of these artists and their use in everyday life it is our hope that the boys and girls who read it will discover that the greeks were not a people extremely foreign and remote who spoke a difficult language but folk much like themselves who lived and worked and played in the surroundings and among the objects we have depicted and described preface

Everyday Life in Russia 2015-01-29 in holding on anthropologist alyson o daniel analyzes the abstract debates about health policy for the sickest and most vulnerable americans as well as the services designated to help them by taking readers into the daily lives of poor african american women living with hiv at the advent of the 2006 treatment modernization act at a time when social support resources were in decline and publicly funded hiv aids care programs were being re prioritized women s daily struggles with chronic poverty drug addiction mental health and neighborhood violence influenced women s lives in sometimes unexpected ways an ethnographic portrait of hiv positive black women and their interaction with the u s healthcare system holding on reveals how gradients of poverty and social difference shape women s health care outcomes and by extension women s experience of health policy reform set among the realities of poverty addiction incarceration and mental illness the case studies in holding on illustrate how subtle details of daily life affect health and how overlooking them when formulating public health policy has fostered social inequality anew and undermined health in a variety of ways
