the masquerade a treasured four act play by mikhail yurievich lermontov is a classic work of russian romanticism in 1830s st petersburg aristocrat arbenin and nina his wife attend a masked ball in a tragic case of mistaken identity arbenin convinces himself that his wife is romantically involved with prince zvezdich arbenin is tragically blinded by jealousy and pride and then a disaster happens a celebration and examination of a classic work from the golden age of russian culture the first poetic translation by russian
American professor Alfred E Karpovich brings the masquerade to a new English speaking audience. A work of great importance, this drama examines the collision between true love and the societal prejudice of honor and dignity. In translation, it casts an inquisitive eye at the state of human dignity in the twenty-first century.

Praise for the masquerade translation:

The following is in reference to Dr. Alfred E. Karpovich’s translation of the great Russian writer and poet Mikhail Lermontov’s play Masquerade. Thoroughly versed in classical Russian, I am a great admirer of Lermontov’s works. I approached the translation with a feeling of skepticism but was literally knocked over by the translation. Mr. Karpovich’s understanding of Lermontov and fine tuning of the English version are truly amazing. It is my pleasure to give this work the highest possible recommendation and I hope to see it on stage.

Sincerely yours,
Nicholas Bobrinskoy,
Gdoosj, formerly of Marymount Manhattan College faculty.

A beautifully multifaceted story highly recommended by the New York Times. Andrea Hairston’s historical fantasy will do magic for small change. Her tale of alien science and earthbound magic and the secrets families keep from each other. Cinnamon Jones dreams of stepping on stage and acting her heart out like her famous grandparents, Redwood and Wildfire, but she’s always been theatrically challenged. That won’t necessarily stop her, but her family life is a tangle of mysteries and secrets, and nobody is telling her the whole truth. Before her brother died, he gave Cinnamon the Chronicles of the Great Wanderer, a tale of a Dahomean warrior woman and an alien from another dimension who perform at the 1893 Chicago World’s Fair. They are a story of magic or alien science, but the connection to Cinnamon’s past is unmistakable when an act of violence wounds her family. Cinnamon and her theatre squad determine to solve the mysteries and bring her worlds crashing together.
