This unique resource provides an invaluable guide to the assessment of A2 psychology. The comprehensive set of exam questions, together with suggested answers and advice from experienced senior examiners, will help students improve their exam performance with more than 5,800 test questions. Saunders Q&A Review for the NCLEX-RN Examination, 5th Edition, provides the practice you need to succeed on the NCLEX-RN exam to enhance your review. Each question includes a test-taking strategy, rationales for correct and incorrect answers, and page references to major nursing textbooks. The companion Evolve website adds a pre-test to help in identifying any areas of weakness and lets you answer questions in quiz study or exam mode. Written by NCLEX review expert Linda Anne Silvestri, this book organizes questions to match the client needs and integrated processes found in the most recent NCLEX-RN test plan. This review is part of the popular Saunders pyramid to success, which has helped more than 1.5 million nurses pass the NCLEX exam. A detailed test-taking strategy is included for each question, providing clues for analyzing and selecting the correct answer. Rationales are provided for both correct and incorrect answer options. Questions are categorized by cognitive level, client needs, area integrated process, and clinical content area. Help you focus on the question types you find most difficult. All alternate item format questions include multiple responses, prioritizing fill-in-the-blank figure illustration, hot spot audio, video, and chart exhibit. Chapters organized by client needs simplify your review and reflect the question mix in the NCLEX-RN test plan. Pre-test is included to help in identifying any areas of weakness and lets you answer questions in quiz, study, or exam mode. The Evolve website adds a pre-test to help in identifying any areas of weakness and lets you answer questions in quiz study or exam mode. Automatic updates of the Evolve site allow you to check for changes to content or functionality throughout the life of the edition content. The most recent NCLEX-RN test plan covers the newest topics you could see on the exam. 600 questions are added for a total of 5,800 in the book and on the companion Evolve website. Hundreds of new alternate item format questions provide even more opportunity for practice. A priority nursing tip is included with each question, providing important patient care information. A full color design and over 20 new figures enhance understanding and increase the book's visual appeal. Review format includes chapters on how to study for and take the NCLEX examination and includes a test for each client need category. A test on integrated processes and a comprehensive test for practice in answering questions from all areas. A new content area index makes it easier to find questions and review a given disorder topic. Providing exam focus and knowledge application.
