There are several specialist variants of the Australian Land Rover 110 but the base vehicle is the same in most cases although never its official name. The Australian Defence Force Land Rover 110 is known among military vehicle enthusiasts as the Perentie. They are almost universally considered to be the most capable Land Rover 110 defender vehicles in the world. The Perentie was popularised around the world as Major Les Hiddins vehicle in the hit TV series Bush Tucker Man. This handbook reproduces the Australian Army's electrical and mechanical engineering instructions for the basic Land Rover Perentie. It's 622 pages comprise a complete electrical and mechanical repair and servicing handbook for these iconic vehicles. It covers everything from basic servicing to complete rebuilds of the vehicle available for the first time in print. This handbook is designed as a workshop reference manual. Don't rely upon loose paper printouts. This edition is purposefully a low cost option and it never goes out of print so you can keep one copy with the vehicle and another in the workshop. Models with petrol engines do not cover bodies conversions produced by specialist manufacturers. Does not cover 4x4 models petrol 2.0 litre 1984cc 2.4 litre 2384cc. Between the covers of each of these manuals you will find the unit repair and overhaul steps for completely rebuilding a 1946–1971 Jeep CJ. If engine transmission transfer case axle steering electrical or metal restoration seem difficult or beyond your skill here is the fix. Jeep expert automotive instructor and author of the Jeep Owner's Bible Moses Ludel demystifies the most complex service procedures. Today they remain top contenders on the roughest trails and byways. Providing the rugged utility that owners expect from the Jeep brand. If working on your jeep vehicle engine transmission transfer case axles steering system electrical system or body tub has seemed just beyond your skill level here is the fix. Moses Ludel Jeep vehicle expert automotive instructor and author of the Jeep Owner's Bible demystifies the most complex service procedures. At his camp jeep workshops Moses discovered that hobbyists and professional Jeep vehicle mechanics alike want heavily illustrated step by step manuals. For the Jeep vehicle owner who finds the typical workshop manual impossible to decipher Moses Ludel breaks ground with this book. The author and photographer illustrator of more than 2500 magazine tech articles and five popular owner's Bible books.
